Project Name	Personal Expense Tracker
Batch Number	B8-2A4E

TASK

Create UI to interact with application

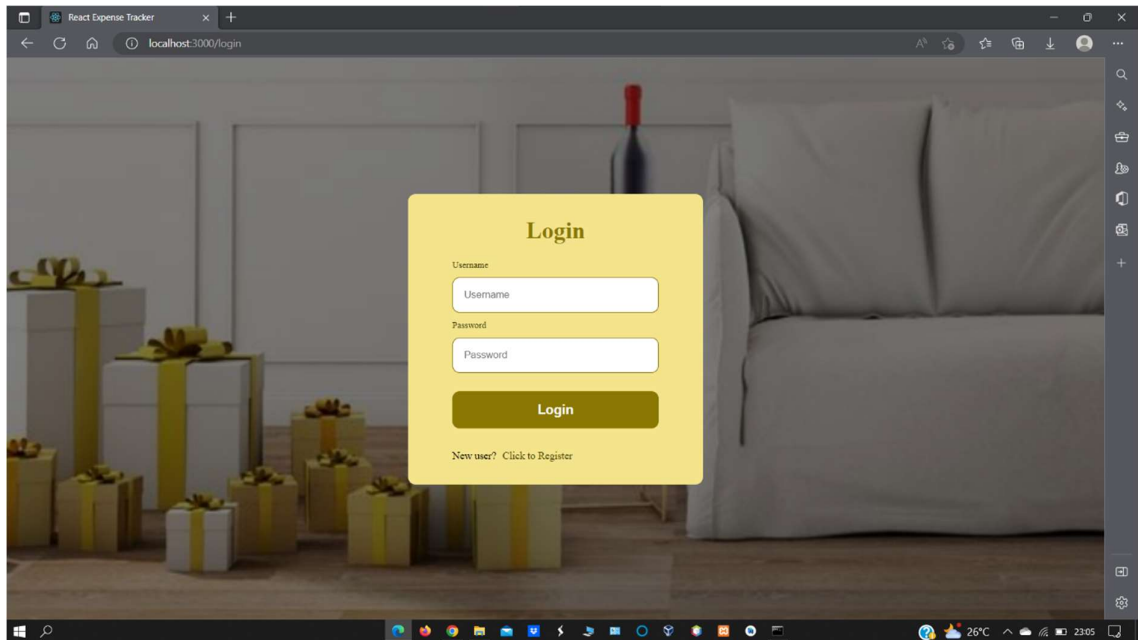

- Registration Page
- Login Page
- Adding income & expenses
- Display expenses in the Dashboard
- Test it

Create UI to interact with application

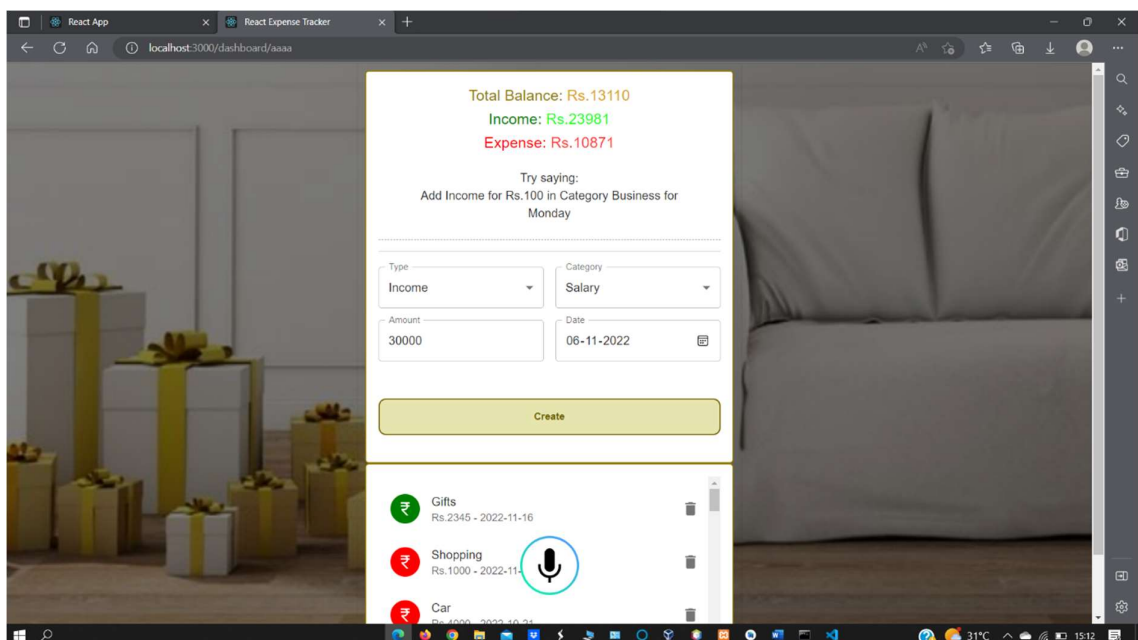

Registration Page

The screenshot shows a web browser window with the title 'React Expense Tracker' and the address bar displaying 'localhost:3000/register'. The background of the page is a blurred image of a living room with a grey sofa and several yellow-wrapped gift boxes. A yellow registration form is centered on the screen. The form has the title 'Register' in bold. It contains four input fields: 'Username', 'Email', 'Password', and 'Confirm Password'. Below these fields is a green 'Submit' button. At the bottom of the form, there is a link that says 'Already have an account? Click to Login'.

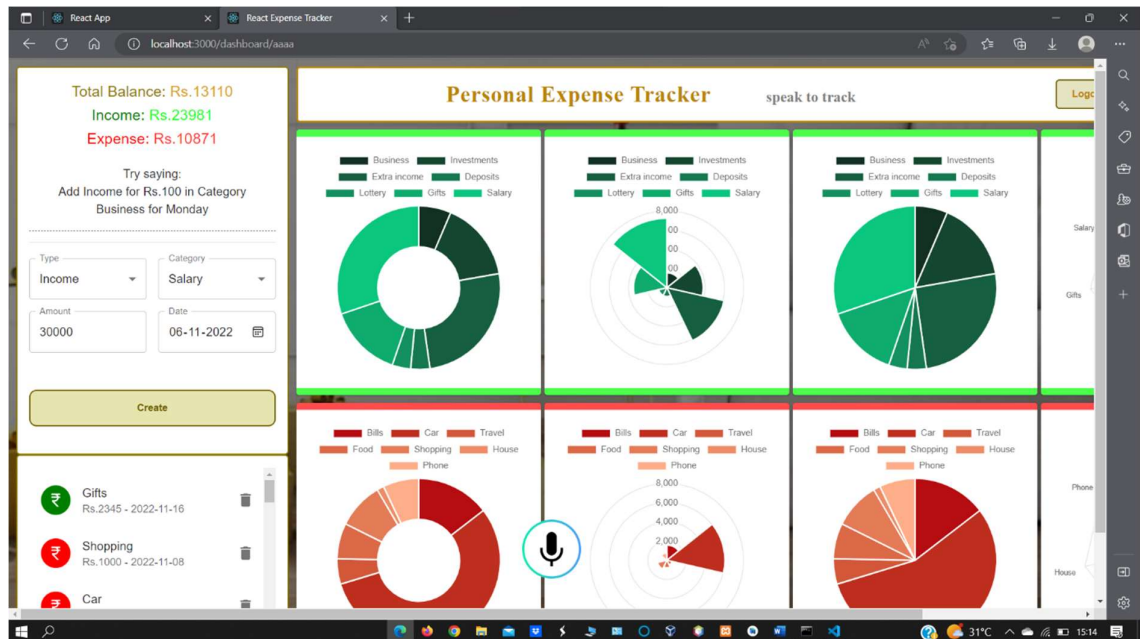

Login Page
