TASK

☐ Create UI to interact with application ☐

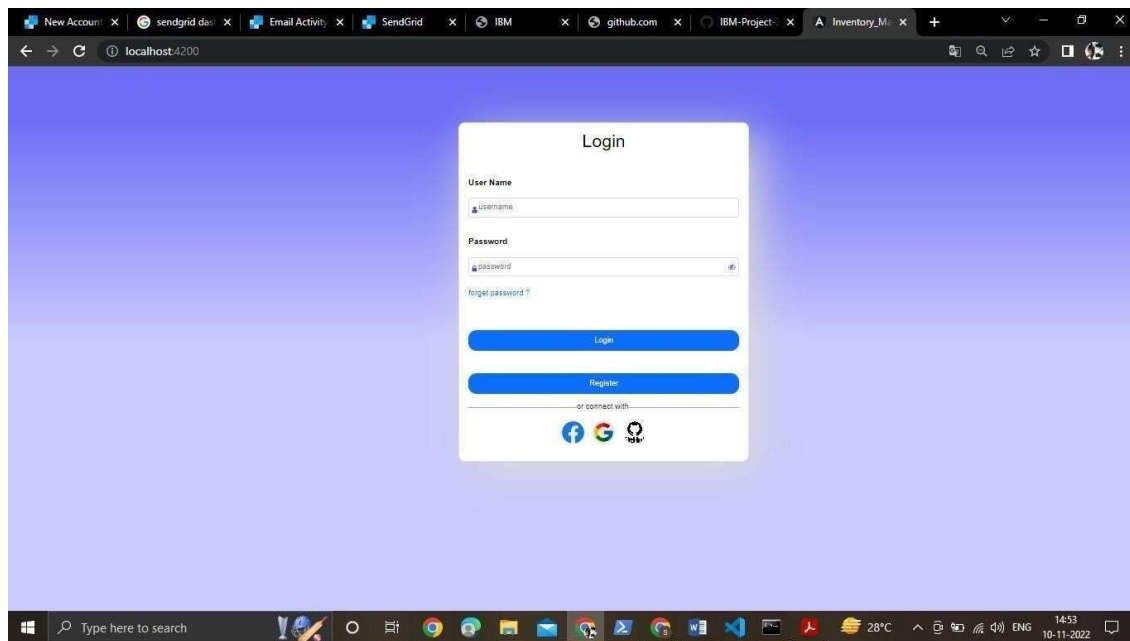

- Registration Page
- Login Page
- Display items in the Dashboard
- Adding items
- Test it

Create UI to interact with application

Registration Page

Login Page

Display items in the Dashboard

Adding items

A screenshot of the 'Add Products' form within the 'Inventory_Managing_System'. The browser's address bar shows 'localhost:4200/addreport'. The page has a blue header with navigation links: 'Home', 'Staff', 'Contact us', and 'Log Out'. On the left, there is a sidebar menu with the following items: 'Dashboard', 'Products', 'Add Products' (selected), 'Add sell', 'Sell Report', 'Suppliers', 'Add Suppliers', 'Employees', and 'New Employees'. The main content area displays the 'Product Management' form with the following fields:

Product code	002
Product Title	KEYBOARD
Product Brand	DELL
Total Stock	25
Cost Per Item	250
Total Cost	6475
Subject	DELL KEYBOARDS

A green 'Submit' button is located at the bottom of the form. Below the form, the text 'TCE-Inventory_Managing_system- copyright © 2022.' is visible.
